DETAILED ACTION

Priority

1. Acknowledgment is made of applicant's claim for foreign priority based on an application filed in Germany on 6/13/98. It is noted, however, that applicant has not filed a certified copy of the 198 26 169.1 application as required by 35 U.S.C. 119(b).

Allowable Subject Matter

2. Claims 2-6, 9 and 11-32 are allowed.

3. The following is an examiner's statement of reasons for allowance: The prior art of record does not disclose the prior art of record does not disclose an electronic control system is configured as a standardized control system for employment in a multitude of different aggregates for generating compressed air or vacuum, and has an industrial PC or industrial microcomputer monitored and controlled by an operating system and comprising one or a plurality of microprocessors and a central data memory containing at least controlling and regulating software and a multitude of aggregate-specific data profiles in a recallable manner, said data profiles comprising the data belonging to the aggregates and with respect to their components the controlling and regulating algorithms. The allowability, at least in part, resides in this fact.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
